Donna Incorvaja & Alex Vidal

RelatedISG International's 2018 Realty Awards go to Donna Incorvaja:

- #1 Top Listing Agent
- #1 Top Closing Agent
- #2 Gross Commission Income

"She did it again," smiled Alex Vidal, President of RelatedISG International Realty, "Donna is keeping her outstanding records of achievement going for the fourth year in a row."

"I am so proud of my team and our achievements again this year," said Incorvaja. "Our continued commitment to our past, current, and future clients and their investment successes has been our number one priority this year and it's working."

This year's awards, were placed on hand-crafted skateboards created by Denys Perez, a graphic designer/artist from New World School of the Arts and intended to signify the "always on a roll", fast-paced, moving forward nature of the RelatedISG International Realty team and Donna certainly personifies this concept.

Donna and her team focus on maintaining and building relationships with their clients as friends. She is most proud of her part in educating and assisting clients to build property portfolios as investments for their future. As a real estate investor herself, Donna can share, first-hand, the importance that real estate investment plays toward a successful financial future. Donna specializes in all types of properties throughout the Broward County communities.

"Cheers to Donna and her team and we know she is going to make it 5 years in a row," boasted Vidal.
