RelatedISG's Donna Incorvaja Leads Brokerage in Transactions Closed in 2016

SOUTH FLORIDA – July 10, 2017 – RelatedISG International Realty is proud to announce that realtor Donna Incorvaja led the brokerage in number of transactions closed in 2016. She also ranked third in the company for total commissions earned in the same year.

"Donna's hard work and dedication to her clients, team and "raving fan" business philosophy, as well as her ability to adapt quickly to her environment are what allow her to continue to find this level of success year after year," said Alex Vidal, president of RelatedISG International Realty.

Throughout her 12-year real estate career, Donna has remained in competition with herself, always striving to achieve more than she did the year before. As a result of her success and strong industry involvement, she was recognized as a top real estate agent in the Florida Edition of Top Agent Magazine in October 2016.

"The foundation of my business and my accomplishments is the strong relationships I've established with my clients and their referrals. As they've succeeded and grown in life, I have grown with them, building my business and improving my lifestyle as they have," said Donna. "With that said, being a member of the RelatedISG International Realty team, with its 'power of relationships,' was clearly a very natural and obvious choice for me."
