MEET DONNA INCORVAJA TOP PRODUCER 2017

RelatedISG International's 2017 Realty Awards go to Donna Incorvaja, with three "Grand Slams":

- #1 Top Listing Agent
- #1 Top Closing Agent
- #2 Top Sales Volume Agent

According to Alex Vidal, President of RelatedISG International Realty, "this years' awards are given for outstanding achievements in the real estate industry and meant to celebrate our 546 realtors, our culture, and our personality as a company in a fun way. 2017 was a Grand Slam year for our company and the bats personify that theme. Donna is the perfect combination of passion, persistence, and hard work, while always treating her customers and other realtors with a huge smile and the utmost professionalism. Her work ethic is unparalleled and one of the main reasons for her success."

"I am so excited and proud to receive these awards of recognition. I truly believe that my growth and success is a direct reflection of my commitment to creating an emotional connection with each and every one of my clients. Their loyalty has always pushed me to be better and work harder for them" says Incorvaja modestly as she thanked her colleagues for the awards.

Donna believes that being herself and being compassionate, caring, and truly involved in her clients best-interest is how she measures her success - not just bottom-line statistics. She and her professional, dedicated support team are passionate about providing the highest level of customer service, always with a positive attitude. Their clients know they are working 100% to provide the best possible experience and financial outcome.
